2. I cannot spare the 2-3 hours required to visit Kingston & return
3. You might better wait until you find out whether or not you can still obtain the book from H. Edward
4. In looking over the books, I feel that someone has confused two Donald Livingstons. The one mentioned in the book is shown to have served in the Rebel Army during the war & to have settled afterward in Greenwich. Your Daniel was a B. magazine man & after that came to Canada.

Dear Dr. Burleigh,

Greetings from Toronto. We arrived home safely after a rewarding trip to Albany, Ticonderoga, Salem, New Perth, and the places where this Daniel Livingston lived and travelled. We were able to locate many of the early books in relation to this early history, and brought back a number with us to assist others as well.

We found who the blind woman was that Daniel befriended. We have also located more of our family since our last visit. We would like to go into this history as a full time project to assist others as well. We are combing all cemeteries, and recording the old early stones in abandoned, as well as cared for cemeteries. They are starting to clean up a number which were impassable last year, but have a few to report one of these days here in Toronto. If I live long enough they should all be cleaned up in the Kitley area; as well as Leeds. We called on Mrs. Hughes; as she is related to the Haskins, (she is in the Grenville area.).

We wish to pass this information on to you. There is a Mr. Herb Moulton, connected with the U.E.L. group at Prescott, (but I cannot say at to whether he is a U.E.L. or not, however, he is trekking the country side for related names; gathering rather a miscellaneous group, at random, and trying to link them up with the same names, rather than related names. I believe he is putting together a book (he states). May we suggest this would be edited by a responsible U.E.L. person; so as not to cloud the way for anyone who might be sub-mitting their name to become a United Empire Loyalist member.

Ed was able to gather a nice group of slides in relation to our visit. We find Daniel was a personal friend of Dr. Asa Fitch Sr., and also located the original papers of Dr. Fitch, also located Mr. Gills' original docs., so we have much to be thankful for; also have made direct contacts for an in,with direct sources.

To change the subject, I was sent a xerox copy of a "Chalon Head stamp", with Bath inscribed on the bottom. Perhaps sometime I may be able to see your picture of her if I may.

Trusting you are enjoying a pleasant summer.

Kindest regards,

*Mildred R. Livingston*

I <sup>am</sup>~~am~~ compiling a 'LIVINGSTON' Ancestral Chart beginning with Daniel Livingston a "United Empire Loyalist" a native of Scotland, who came to America as a soldier in the England -France Seven Years War (1756 - 1763). He served with the 78th Regiment "Frasers Highlanders" at the fall of Louisburg 1758, the fall of Quebec 1759 and at the fall of Montreal in 1760. At the end of hostilities he remained in America where he was given a grant of land in the County of Albany, New York.

When the American Revolution broke out he joined the British Forces under Lt. General Burgoyne and at whose defeat he lost his possessions. He moved to Ontario bringing eleven children, nine known sons and probably two daughters. John the eldest last heard from at Hickory Island near Gananoque, Daniel Jr. Duncan, Simeon, Silas, Abraham, David, Alexander and William. Although the first seven above had approximately 31 children, the known descendents to this day (near one hundred) all come from Duncan who was a Captain in the Leeds County 2nd Militia War of 1812. All the above brothers being over 21 years of age in 1798 were given 200 acres of land in Leeds County, Eastern Ontario. Most of which were in Kitley Township. Duncan's grave in an abandoned cemetery has been located. It is believed that some of the above brothers are also buried in abandoned cemeteries.

I was born in Brockville while my father & his ancestors were born in Kitley Tp. Leeds Co. I have recorded approximately 100 descendants of Duncan Sr (past & present) and still gathering more. They are now scattered in U.S.A., Hawaii, Peru, S. America.

I am also trying to trace a James Livingston U.E. who married an Elizabeth Kelsey of Yonge Tp. There is a strong possibility some of their descendants are still around Athens Ont. I have not as yet been able to connect them with my branch.

Any information that you could give me would be gratefully received and I would be happy to give you any information that I now have. I might mention that most of the early records have been obtained from the Ottawa and Toronto Archives.

Trusting to hear from you in the near future at your convenience and again thanking you.

I remain

Edwin A. Livingston

Dear Dr Burleigh:

I was given your name by the V. E. L. Association when requesting an application for membership.

I am writing to ask if you have any information regarding a Daniel Livingston V. E. also known as "Donald". The archives reveal he was killed by the fall of a tree and we believe it was in Augusta Tp. Although most of them <sup>(11 children)</sup> received land in Rithy Tp. only a Daniel Jr. and Capt Duncan Livingston show up on the assessment records in 1821. A brother Silas shown in 1813 in Yonge Tp. and a brother John last heard at Hickory Island near Gananoque. Leavitt History of Leeds tells that David left 4 sons & 5 daughters. My Wife & I are working on this as a hobby and have contacted nearly all present day Livingstons as far west as Toronto, Hamilton, London, Barrie and as yet no connection. It appears that he just disappeared between 1800 - 1810.

I have written New York State re a County of Charlotte where this Daniel resided before coming to Ontario.

I am a descendant of Duncan Livingston<sup>br</sup> 1773-1821, Duncan Jr. 1808-1872, Morton 1845-1912, Elmer 1880-1966 and myself 1918-. I am also enclosing a portion of a form letter which we have sent out. This will save repeating details.
